#### INDEPENDENT AUDITORS' REPORT

Board of Directors **Pathway Society, Inc.**San Jose, California

We have audited the accompanying statement of financial position of the Pathway Society, Inc. as of June 30, 2011 and the related statements of activities, functional expenses, and cash flows for the year then ended. These financial statements are the responsibility of the Pathway Society, Inc.'s management. Our responsibility is to express an opinion on these financial statements based on our audit. The prior year summarized comparative information has been derived from the organization's 2010 financial statements and, in our report dated November 1, 2010 we expressed an unqualified opinion on those financial statements.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America, and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Pathway Society, Inc. as of June 30, 2011 and the changes in net assets and cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Accounting Standards*, we have also issued a report dated October 14, 2011 on our consideration of Pathway Society, Inc.'s internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

#### Note A: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### **Background**

The Pathway Society, Inc., (the Society), is a nonprofit public benefit corporation organized under the Nonprofit Public Benefit Corporation law for charitable and educational purposes. Since its incorporation in 1968, the Society has provided programs and services to residents of Santa Clara County in substance abuse prevention and education, intervention, and treatment. The Society provides a full spectrum of substance abuse services, including prevention and education services for kindergarten through twelfth grade schools, colleges, universities, businesses, and industry, intervention programs for identified "at-risk" youth, and residential and outpatient treatment. Administrative offices are located in Santa Clara, California.

The Society's major programs include the following:

#### Residential Services:

Pathway House is a 65-bed residential treatment facility in downtown San Jose, California for adults who are chemically dependent. Treatment is individualized based on the client's needs. This live-in program provides clients addicted to drugs and alcohol a chance to rehabilitate their lives and embrace the principles of independent, responsible, and productive living, free of the need for drugs.

Pathway Society – Mariposa Lodge is a 34-bed women-only residential treatment facility located in a rural area of south San Jose, California for adults who are chemically dependent. Treatment is individualized based on the client's need. This live-in program provides clients addicted to drugs and alcohol a chance to rehabilitate their lives and embrace the principles of independent, responsible, and productive living, free from the needs of drugs.

In addition, Pathway Society-Mariposa Lodge provides non-medical, social model detoxification for up to 6 adult women. The primary goal is to offer a safe structured facility to help support adult women in their detoxification process.

Transitional housing is provided for clients who have completed treatment at the residential treatment facility or who have completed a primary treatment phase at another program for chemical dependency. This housing offers clients an opportunity to initiate an affordable

independent living situation in the community before transitioning to future housing on their own.

Sessions are provided on a number of tracks, including, but not limited to, relapse prevention through intensive outpatient services. The Society specializes in drug and alcohol, as well as mental health, outpatient services.

Training programs are provided to companies, schools, correctional staff, and other "gatekeepers" who have contact with "at-risk" individuals. Drug testing is also offered through this program.

#### Note A: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

#### **Basis of Accounting**

The accompanying financial statements are prepared on the accrual basis of accounting. Revenue is recognized when earned and expenses are recognized when incurred.

#### **Basis of Presentation**

Pathway is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. Pathway has no temporarily restricted net assets or permanently restricted net assets.

#### **Tax Status**

Pathway Society, Inc. is an exempt organization under Internal Revenue Service Code 501(c)3 and California Franchise Tax Board code section 23701(d). No provision for income taxes has been made.

Management believes that Pathway Society, Inc. has no uncertain tax positions as of June 30, 2011.

#### **Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses.

#### **Comparative Financial Information**

The financial statements include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly such information should be read in conjunction with the Society's financial statements for the year ended June 30, 2010, from which the summarized information was derived.

#### **Allocation of Expenses**

Directly identifiable expenses are charged to programs and supporting services. Expenses related to more than one function are charged to programs and supporting services on the basis of periodic time and expense studies. General and administrative expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Society.

#### **Cash and Cash Equivalents**

For purposes of the statement of cash flows, the Society considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

#### **Investments**

Pathway Society, Inc. values its investments at fair value. Unrealized gains or losses (including investments bought, sold, and held during the year) are reflected in the Statement of activities as gain (loss) on investments. Short-term, highly liquid money market deposits and certificates of deposit that are not used for operations are treated as investments.

#### **Fixed Assets**

The Society capitalizes acquisitions of property and equipment with a cost or value in excess of \$5,000. All fixed assets are valued and capitalized at historical cost or estimated historical cost if historical cost is not available. Donated fixed assets are valued at estimated fair market value as of the date donated.

The fixed asset balance is comprised of the following as of June 30:

|                        | <br>2011        | <br>2010        |

| Total Fixed Assets     | \$<br>1,120,557 | \$<br>1,120,557 |

#### **Depreciation and Amortization Method**

Depreciation is provided on the straight-line basis over the estimated useful lives of three to ten years for equipment and vehicles and 20 years for buildings. Leasehold improvements are amortized over the shorter of the remaining lease term or the estimated useful life of the asset.

Assets purchased with unrestricted general funds and assets donated to the Agency are depreciated through the statement of activities. Assets purchased with grant funds are recorded as revenue and expensed in the period of acquisition through the statement of activities.

#### Note A: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

#### **Depreciation and Amortization Method – continued**

The corresponding capitalization and depreciation for these grant purchases is accounted for through increases and decreases in net assets in the statement of activities.

#### **Revenue Recognition**

A majority of the Society revenue is derived from cost reimbursement contracts. Advances received on these contracts are deferred as unearned income and recognized as revenue as allowable costs are incurred. Revenue from fee for service contracts is recognized when services are provided.

#### Restricted and Unrestricted Revenue

Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire (that is, when a stipulated time restriction ends or purpose restricted is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets, depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and are reported in the Statement of Activities as net assets released from restrictions.

#### Contributions

The Society accounts for contributions and promises to give in accordance with provisions of FASB topic Not-for-Profit Entities Revenue Recognition Standards. FASB requires that contributions received, including unconditional promises to give (pledges), be recognized as revenue at their fair value in the period the contribution or pledge is made. FASB also requires not-for-profit organizations to distinguish between contributions received that increase any on the three categories of net assets, with recognition being made of the expiration of donor-imposed restrictions in the period which the restrictions expire.

#### **Donated Services**

Donated residential client assistance services are an integral part of the Society's programs, which would otherwise have to be purchased. Accordingly, these specialized services are recorded as both contributions and program service expenses, at their estimated fair values as the services are rendered. Donated services totaled \$19.220 in 2011 and \$21,800 in 2010.

#### Note B: GRANTS RECEIVABLE

#### Note F: PENSION PLAN

The Society has a defined contribution pension plan covering all regular, full-time employees who have been with the Society for six months and are at least twenty-one years of age and have completed over 1000 hours of service during the plan year. Starting July 2002, employees become 20% vested after two years of employment and are fully vested after six years. Contributions are made at the discretion of the Board of Directors. Contribution expense was \$227,048 in 2011 and \$209,307 in 2010.

A deferred compensation plan has been established under 457b and 457f to augment the existing pension plan. The liability related to this plan as of June 30, 2011 and 2010 were \$227,048 and \$209,307, respectively. The same amount is included in deposits and other assets.

### Note G: CONCENTRATION OF CREDIT RISK ARISING FROM CASH DEPOSITS IN EXCESS OF INSURED LIMITS

The Society maintains its cash balances and money market accounts in several financial institutions. The balances at the financial institutions are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. While the Society maintains cash in amounts which at times, exceed the federally insured limits, the Society has not experienced any losses in such accounts and believes they are not exposed to any significant credit risk on cash.

#### Note H: GRANT REVENUE - CITY OF SAN JOSE

#### **Note J: CONTINGENCIES**

The Society received a substantial amount of its support from federal, state, and county governments. A significant reduction in the level of this support, if this were to occur, may have an effect on the Society's program and activities.

Grant awards require the fulfillment of certain conditions as set forth in the instrument of grant. Failure to fulfill the conditions could result in the return of the funds to the grantors. The Society deems this contingency remote since by accepting the grants and their terms, it has accommodated the objectives of the Society to the provisions of the grants. The Society's management is of the opinion that the Society has complied with the terms of all grants.

#### Note K: EVALUATION OF SUBSEQUENT EVENTS

# REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors **Pathway Society, Inc.**San Jose, California

We have audited the financial statements of Pathway Society, Inc. as of and for the year ended June 30, 2011, and have issued our report thereon dated October 14, 2011. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

#### **Internal Control over Financial Reporting**

In planning and performing our audit, we considered Pathway Society, Inc.'s internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Pathway Society, Inc.'s internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of Pathway Society, Inc.'s internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Pathway Society, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of management, Board of Directors, federal awarding agencies and pass-through entities and is not intended and should not be used by anyone other than these specified parties.

### REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

Board of Directors **Pathway Society, Inc.**San Jose, California

#### Compliance

We have audited Pathway Society, Inc.'s compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of Pathway Society, Inc.'s major federal programs for the year ended June 30, 2011. Pathway Society, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of law, regulations, contracts, and grants applicable to each of its major federal programs is the responsibility of Pathway Society, Inc.'s management. Our responsibility is to express an opinion on Pathway Society, Inc.'s compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining on a test basis, evidence about Pathway Society, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of Pathway Society, Inc.'s compliance with those requirements.

In our opinion, Pathway Society, Inc. complied, in all material respects, with the requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2011.

Internal Control over Compliance

Management of Pathway Society, Inc. is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered Pathway Society, Inc.'s internal control over compliance with requirements that could have a direct and material effect on a major federal program to determine the auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Pathway Society, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

This report is intended solely for the information and use of management, Board of Directors, federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.
