Report on Financial Statements

We have audited the accompanying financial statements of Pathway Society, Inc., which comprise the statement of financial position as of June 30, 2015, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements. The prior year summarized comparative information has been derived from the organization's 2014 financial statements and, in our report dated September 14, 2014 we expressed an unqualified opinion on those financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Pathway Society, Inc. as of June 30, 2015, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated September 16, 2015, on our consideration of Pathway Society, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Pathway Society, Inc.'s internal control over financial reporting and compliance.

Report on Summarized Comparative Information

We have previously audited Pathway Society, Inc.'s 2014 financial statements, and our report dated September 14, 2014, expressed an unmodified opinion on those audited financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2014, is consistent, in all material respects, with the audited consolidated financial statements from which it was derived.

Background

The Pathway Society, Inc., (Pathway), is a nonprofit public benefit corporation organized under the Nonprofit Public Benefit Corporation law for charitable and educational purposes. Founded in 1964 and incorporated in 1968, Pathway has provided programs and services to residents of Santa Clara County in substance abuse prevention and education, intervention, and treatment. Pathway provides a full spectrum of substance abuse services, including inpatient (residential) and outpatient treatment programs and transitional housing. Pathway also provides prevention, intervention, and education services for identified “at-risk” youth at various middle and high schools throughout Santa Clara County. We work closely with various private and public systems of care and the criminal justice system. Administrative offices are located in Santa Clara, California. Pathway’s major programs include the following:

Inpatient Residential Services:

Pathway House is a 65-bed inpatient (residential) treatment facility in downtown San Jose, California for chemically dependent adults. Treatment is individualized based on the client’s needs. This live-in program provides clients suffering from addiction a chance to rehabilitate and transform their lives in a safe and respectful environment under the guidance of licensed practitioners. The program emphasizes the evidence-based principles necessary for independent, responsible, and productive living, free of the need for substances and alcohol.

Mariposa Lodge is a 54-bed women-only inpatient (residential) treatment facility located in a rural area of South San Jose, California for adults who are chemically dependent. Treatment is individualized based on the client’s needs. This live-in program provides clients addicted to drugs and alcohol a chance to rehabilitate their lives and embrace the principles of independent, responsible, and productive living, free from the needs of drugs.

In addition, *Mariposa Lodge* provides non-medical, social model detoxification for up to six (6) adult women. The primary goal is to provide a safe structured environment to support adult women in their detoxification process—and potentially the first steps of their recovery process.

Note A: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

Transitional housing is provided for clients who have successfully completed treatment at an inpatient (residential) treatment facility or who have completed a primary treatment phase at another program for chemical dependency. This housing offers clients an opportunity to initiate an affordable independent living situation in the community before transitioning to future housing on their own.

Outpatient Counseling and Relapse Prevention:

Outpatient counseling provides services on a group, family, or individual basis for adults and adolescents. Assessments and treatment services are provided by California state-licensed therapists and counselors with extensive drug and alcohol treatment experience. Sessions are provided on a number of tracks, including, but not limited to, relapse prevention through outpatient drug-free services. PATHWAY specializes in drug and alcohol, as well as mental health outpatient services.

Youth Counseling and Intervention:

Pathway offers a variety of youth intervention and counseling programs, including:

- Adolescent intervention and counseling program for chemically dependent youth between the ages of 12 and 18 located at various schools throughout the County.
- Alcohol and substance use counseling programs at the James Ranch in Morgan Hill, CA.

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting. Revenue is recognized when earned and expenses are recognized when incurred.

Basis of Presentation

Pathway is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. Pathway has no temporarily restricted net assets or permanently restricted net assets.

Tax Status

Pathway is an exempt organization under Internal Revenue Service Code 501(c)(3) and California Franchise Tax Board code section 23701(d). No provision for income taxes has been made.

Management believes that Pathway has no uncertain tax positions as of June 30, 2015.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses.

Comparative Financial Information

The financial statements include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly such information should be read in conjunction with Pathway's financial statements for the year ended June 30, 2014, from which the summarized information was derived.

Allocation of Expenses

Directly identifiable expenses are charged to programs and supporting services. Expenses related to more than one function are charged to programs and supporting services on the basis of periodic time and expense studies. General and administrative expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of Pathway.

Cash and Cash Equivalents

For purposes of the statement of cash flows, Pathway considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

NOTES TO FINANCIAL STATEMENTS

Note A: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

Investments

Pathway values its investments at fair value. Unrealized gains or losses (including investments bought, sold, and held during the year) are reflected in the Statement of activities as gain (loss) on investments. Short-term, highly liquid money market deposits and certificates of deposit that are not used for operations are treated as investments.

Fixed Assets

Pathway capitalizes acquisitions of property and equipment with a cost or value in excess of \$5,000. All fixed assets are valued and capitalized at historical cost or estimated historical cost if historical cost is not available. Donated fixed assets are valued at estimated fair market value as of the date donated. The fixed asset balance is comprised of the following as of June 30:

	2015	2014
Land	\$ 190,526	\$ 190,526
Buildings	176,571	176,571
Building Improvements	383,715	383,715
Equipment and vehicles	394,221	380,920
Total Fixed Assets	<u>\$ 1,145,033</u>	<u>\$ 1,131,732</u>

Accumulated depreciation for June 30, 2015 and 2014 is \$777,888 and \$754,619, respectively.

Depreciation and Amortization Method

Depreciation is provided on the straight-line basis over the estimated useful lives of three to ten years for equipment and vehicles and 20 years for buildings. Leasehold improvements are amortized over the shorter of the remaining lease term or the estimated useful life of the asset.

Assets purchased with unrestricted general funds and assets donated to Pathway are depreciated through the statement of activities. Assets purchased with grant funds are recorded as revenue and expensed in the period of acquisition through the statement of activities.

The corresponding capitalization and depreciation for these grant purchases is accounted for through increases and decreases in net assets in the statement of activities.

Revenue Recognition

A majority of Pathway revenue is derived from cost reimbursement contracts. Advances received on these contracts are deferred as unearned income and recognized as revenue as allowable costs are incurred. Revenue from fee for service contracts is recognized when services are provided.

Restricted and Unrestricted Revenue

Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire (that is, when a stipulated time restriction ends or purpose restricted is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets, depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and are reported in the Statement of Activities as net assets released from restrictions.

Contributions

Pathway accounts for contributions and promises to give in accordance with provisions of FASB topic Not-for-Profit Entities Revenue Recognition Standards. FASB requires that contributions received, including unconditional promises to give (pledges), be recognized as revenue at their fair value in the period the contribution or pledge is made. FASB also requires not-for-profit organizations to distinguish between contributions received that increase any on the three categories of net assets, with recognition being made of the expiration of donor-imposed restrictions in the period which the restrictions expire.

Donated Services

Donated residential client assistance services are an integral part of Pathway's programs, which would otherwise have to be purchased. Accordingly, these specialized services are recorded as both contributions and program service expenses, at their estimated fair values as the services are rendered. Donated services totaled \$26,597 in 2015 and \$24,923 in 2014.

Note H: CONCENTRATION OF CREDIT RISK ARISING FROM CASH DEPOSITS IN EXCESS OF INSURED LIMITS

Pathway maintains its cash balances and money market accounts in several financial institutions. The balances at the financial institutions are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. While Pathway maintains cash in amounts which at times, exceed the federally insured limits, Pathway has not experienced any losses in such accounts and believes they are not exposed to any significant credit risk on cash.

Note K: CONTINGENCIES

Pathway received a substantial amount of its support from federal, state, and county governments. A significant reduction in the level of this support, if this were to occur, may have an effect on Pathway's program and activities.

Grant awards require the fulfillment of certain conditions as set forth in the instrument of grant. Failure to fulfill the conditions could result in the return of the funds to the grantors. Pathway deems this contingency remote since by accepting the grants and their terms, it has accommodated the objectives of Pathway to the provisions of the grants. Pathway's management is of the opinion that Pathway has complied with the terms of all grants.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL
OVER FINANCIAL REPORTING AND ON COMPLIANCE
AND OTHER MATTERS BASED ON AN AUDIT OF
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE
WITH GOVERNMENT AUDITING STANDARDS**

Board of Directors
Pathway Society, Inc.
San Jose, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Pathway Society, Inc., which comprise the statement of financial position as of June 30, 2015, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated September 16, 2015.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Pathway Society, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Pathway Society, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Pathway Society, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Pathway Society, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY OMB CIRCULAR A-133

Board of Directors
Pathway Society, Inc.
San Jose, California

Report on Compliance for Each Major Federal Program

We have audited Pathway Society, Inc.'s compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of Pathway Society, Inc.'s major federal programs for the year ended June 30, 2015. Pathway Society, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Pathway Society, Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and *OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations (OMB Circular a-133)*. Those standards and *OMB Circular A-133* require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types compliance requirements referred to above that could have a direct and material effect on the major federal programs occurred. An audit includes examining, on a test basis, evidence about Pathway Society, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion on compliance with each major program. However, our audit does not provide a legal determination of Pathway Society, Inc.'s compliance.

Opinion on Each Major Federal Program

In our opinion, Pathway Society, Inc. complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs identified above for the year ended June 30, 2015.

Report on Internal Control Over Compliance

Management of Pathway Society, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Pathway Society, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the *OMB Circular A-133*, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Pathway Society, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirements of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a compliance requirement will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a *material weakness* in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be *material weaknesses* or *significant deficiencies*. We did not identify any deficiencies in internal control over compliance that we consider to be *material weaknesses*, as defined above. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of our testing based on the requirements of *OMB Circular A-133*. Accordingly, this report is not suitable for any other purpose.
